Major Announcement

Bridge Construction Set To Begin

The Schomberg Community Farm is delighted to announce that our bridge project has been fully funded through generous contributions from the Township of King and Trisan Construction in addition to all of the many contributions from all of our sponsors and donors (a full list of donors can be found on our website www.schombergcommunityfarm.ca/our-sponsors.html).

This means that construction on the bridge will move forward this spring and clearing of the trees has already begun.

Volunteers Needed!!

April 11th is our first workday at the farm this year. We plan to fix the fence around the planned garden plot area and stake the different proposed areas. We will also build an Insect Hotel (in the morning) and hopefully some pallet furniture, all depending on how many volunteers show up! Come for the morning or afternoon shift (10am-12.30pm or 12.30pm-3pm) or the full day. Snacks will be provided but please bring your own lunch! Be sure to wear suitable attire i.e. waterproof

On May 2nd the Schomberg Community Farm will have a fundraising table at the Trisan Centre Garage Sale. Good quality items are needed to help make that a huge success.

Please contact Cheryl ASAP for pick up or delivery (905-939-8494)

Fundraising at Anchique

We currently have a refurbished piece for sale at Anchique. For \$350 cash (no tax) you can own this unique corner storage piece with two over coat hanging racks that will help organize your hallway or mud room!

All profits from the sale of this item will go to the Schomberg Community Farm. Anchique is located on the Main St. in Schomberg.

Fruit Tree Grant

We are eagerly awaiting the outcome of a grant application seeking funding for 20 fruit trees, fencing, and compost. Our goal is to plant these trees in the late summer.
