Spring Has Come To The Farm

Work continues at the farm with the arrival of spring and the approach of summer!

The Schomberg Fair

With spring comes the Schomberg Fair. Our booth at the fair raised money and awareness. Look for us at future community events!

Foley Restoration cleans up the barn!!

The hard working crew from Foley Restoration removed years of built up debris from the barn. In the future we hope to use the barn for storage, water collection, and solar power!

Bridge Update

Core samples from 30 feet down were taken and determined that the ground is mostly clay. The result is a new modified abutment design to stabilize the bridge in unstable soil. The soil findings have delayed the project slightly, but the township is moving ahead with sourcing a bridge builder.
