## Exciting news to share

At last the costly and time consuming abutments, are now in and ready for the Bridge instalment in 2017.

Thank you **Trisan Construction** for a great job done!

Here are some photos of the process.

These are the needed Helical Piles that due to soil instability had to be installed.

The framing on top of the Helical Piles now ready for the first concrete to

The concrete is in!

More framing and more concrete

And now ready for the Bridge

## Fall Work Day

**Saturday October 22nd** 10-2 is your opportunity to come out to The Farm and help us to get the fruit plants and trees ready for the winter, etc.

Snacks will be provided.  
Please bring your own gloves.  
Love to have you join us!

For **AMSC** we are once again making a large Gingerbread House for raffle. Tickets will be sold in advance this year starting in November. \$2 or 6 for \$10 **Please donate your left over Halloween candy to us!** It will help keep our costs to a minimum.

The **Schomberg Village Association** generously provided more funds for The Farm. So we could purchase a water pump to water the fruit plants, it was a mammoth task this summer!

Thank You SVA

A BIG thank you to **Country Zen Yoga** their support has been unwavering. This year they have held several Yoga events that have raised funds for The Farm amounting to over \$520

## Annual General Meeting

in  
November TBC (please visit website or email us for more info.)  
We are now after four years ready, to make plans for the future gardens.

**But we need Your help!**

All Welcome!
