Our "Field Over to Farm" Bridge Campaign is off to a great start. To date we have raised almost \$13,000 toward the construction of the bridge access to the Farm. We would like to recognise Ruth and Brian McDonald from McDonald Furniture and Appliance for their generous donation of \$5,000. Our future butterfly garden will be named after them. \$5,876 was also received through the Township of King Sustainability Committee. Country Zen in Schomberg hosted 2 "Yoga in the Park" events this last summer as a fund raiser for the Farm. Also the Schomberg Village Association donated \$500 to support our fund raising administration. Plus SWB Ins donated \$500. Thank you to everyone for your support and donations. As soon as we reach the \$20,000 mark we will be able to complete the survey and engineering for the bridge design. Remember, each formal donation over \$150 will be acknowledged with a Farm t-shirt and small nameplate on the bridge.

The Schomberg Community Farm Executives are taking advantage of this beautiful fall weather to host another fun-filled event at the Farm on

Sunday, Oct. 26th 10am-1pm.

All Are welcome to Join!

Many Hands make for light work!

We will be breaking into groups to build a three-bin composter and an insect hotel made with recycled wooden pallets.

We want to welcome insects to the Farm and make a special home for them. **The Kids will love this!!** Please bring along any cylinders, tubes, bottles, straw, and any item you think the insects would love to hide out in. The picture below may give you some ideas.

Please also bring your tools such as hammers, nails drills, screw drivers etc.

Refreshments will be provided.
We look forward to seeing you.
