Clay Soil Findings Means Bridge Delays

Quotes for a bridge suitable for the clay soil base has created a funding setback for the Farm. Additional fundraising efforts are going to be needed to make up the funding hole. Delays caused by the soil condition, and the requirement for additional bridge quotes have likely pushed back the building of the bridge to next spring. The Farm Executive is working with the Township on solutions.

Become a Sponsor and Receive a Nameplate

Leave a lasting memory of your commitment to the vision of the Schomberg Community Farm by purchasing a 3" brass or stainless steel nameplate with your business or family name. For as little as \$150 your name will be placed on the bridge as a sign of your generosity in helping to create this important community project. Please contact schombergcommunityfarm@gmail.com or visit schombergcommunityfarm.ca for more information on how you can contribute.
