

# The Farm News

## Barn Painting Part One

After saving the barn from demolition we had a paint party! Sixteen people helped and many more showed up after we had finished. It was a great show of community spirit, and the barn is now looking better than ever. Thank you to all the volunteers!

**Plans for 2026 ...**  
includes the removal of all the grass within the garden plot perimeter, a large area that will save time and resources in the long term. A BIG job! Cardboard is on our wish list for this project.

We also plan to add more plots, which we haven't done since 2019. There has been a wait list of people wanting a plot every year since we opened in 2017.

## Part Two

The next phase is to paint a mural on the west long wall. Date TBD....interested in helping? ..... Please contact us.

## Upcoming Events...

The Schomberg Horticultural Society will be holding their **Annual Plant Sale** at The Farm on Saturday May 9th  
Also

The Schomberg Horticultural Society's **Garden Tour** is back!  
The Farm will be on the tour again this year on Sunday June 28th

Watch out for more information on these two great events and others.

The above drone photograph was taken in May 2025. You can see the grassy area within the plot perimeter on the left, which we wish to remove and replace with plots and other grow areas.

The other photograph is one of the many places you can sit and enjoy the peaceful sights and sounds of The Farm

Many items have been donated to The Farm over the years, including fence posts, cedar railing, deck boards, bricks, tools, wood chips, soil, manure, straw, furniture, patio umbrellas, the fire pit, a huge rock, seeds, water totes, bird houses and feeders etc. All the above have been gratefully received and put to good use. We have also received skilled help and expertise. If you have anything on our wish list below or have something you think we might be able to use, we would love to hear from you.

### Our Wish List

1. Ride-on lawn tractor
2. Large pieces of cardboard (lots needed)
3. Heavy duty trimmer
4. Wheelbarrows
5. Garden forks
6. Sturdy bench
7. Delivered manure /compost/ top soil/straw
8. Small utility trailer
9. Extendable tree pruner for high branches

If you can supply any of these items please Contact us...

We will arrange to collect from you!
